## Safety Data Sheet

**Sample  
Description:**Bubble water**Client:**SHANTOU CHENGHAI DISTRICT MINGKAI  
TOYS FACTORY**Address:**Donghua Industrial Zone, Neilong, Guangyi  
Street, Chenghai District, Shantou City, Guangdong  
Province, China

Approved by

Jue. Liu

Date

Apr 12, 2024

Add: Building 1/4, No.2, Jinlong Road, Longgang District, Shenzhen, Guangdong, China.

Tel: 0755-89457984

E-mail: tsjc@tiansu.org

Post Code: 518116

Website: www.tiansu.org

**Section 1-Chemical product and company identification****1.1 Product identification**

- **Product Name:** Bubble water
- **Product model:** 60646
- **Trademark:** /
- **Product photo:**

**1.2 Product recommendations and restricted uses**

**Product determine uses:** bubble

**1.3 Manufacturer Information**

**Manufacturer's name:** SHANTOU CHENGHAI DISTRICT MINGKAI TOYS FACTORY

**Manufacturer's address:** Donghua Industrial Zone, Neilong, Guangyi Street, Chenghai District, Shantou City, Guangdong Province, China

**Telephone:** 13546818182

**FAX:** /

**E-mail:** nicky@hansmalta.com

**Section 2- Hazards Identification**

**Hazard Classification:** Not a hazardous substance or mixture, as defined by the Globally Harmonized System of Classification and Labelling of Chemicals (GHS).

**Hazard statement:** Normal use without hazard.

**Invasive Routes:** Ingestion.

**Harm description:** This product is non-toxic, harmless and pollution-free. However, ingestion may cause abdominal pain, nausea and other symptoms.

**Fire blast hazards:** Normal use without hazard.

**Section 3- Composition/Information on Ingredient**

| Chemical Name          | CAS No.     | In % By Weight |
|------------------------|-------------|----------------|
| Water                  | 7732-18-5   | 88.6           |
| Cocamidopropyl Betaine | 61789-40-0  | 6.0            |
| Polyquaternium-7       | 108464-53-5 | 5.0            |
| Phenoxyethanol         | 122-99-6    | 0.3            |
| Sodium benzoate        | 532-32-1    | 0.1            |

**Section 4- First Aid Measures**

**Skin exposure:** No irritation, just rinse with clean water.

**Eyes touch:** Immediately open the upper and lower eyelids, rinse with flowing water or normal saline for at least 15 minutes, and seek medical advice.

**Inhalation:** A small amount of inhalation is not harmful. A large amount of inhalation needs to be transferred to a ventilated place immediately. If breathing is difficult, take oxygen inhalation treatment, and then see a doctor.

**Ingestion:** Do not induce vomiting and seek medical advice in time.

**Section 5- Fire Fighting Measures**

**Fire extinguishing method and extinguishing agent:** Use water, foam, dry powder or carbon dioxide to extinguish the fire.

**Hazardous properties:** This product is non flammable liquid.

**Fire extinguishing precautions:** Fire fighters must wear full - body fire and gas suits, wear air breathing apparatus, and put out the fire upwind. Remove the container from the fire as much as possible into an open area. Spray water to keep fire containers cool until extinguishing is complete. If there is any abnormal change or abnormal sound in the container, we must evacuate immediately.

**Section 6- Accidental Release Measures**

**Emergency treatment:** Without special requirements, rinse with clean water.

**Section 7- Handling and Storage Measures**

**Precautions:** General fire protection measures. Keep away from fire. No smoking..

**Storage precautions:** Store in a cool place. Keep container airtight and store in a dry and ventilated place.

**Section 8- Exposure Controls/Personal Protection**

**Special protection device:** Generally do not need special protection.

**Eye protection:** Avoid contact with eyes. If you may come into contact with raw materials, please wear protective glass.

**Skin protection:** No irritation, it is recommended to wear rubber gloves.

**Breath protective:** Wear protective mask.

**Other protective:** No smoking, eating, and drinking water on working site. Finished work, shower and changing clothes..

**Section 9- Chemical and Physical Properties**

|                       |         |                    |          |
|-----------------------|---------|--------------------|----------|
| Appearance and traits | Liquid  | Gas taste          | Odorless |
| pH                    | No data | Flash point (°C)   | No data  |
| Melting point (°C)    | No data | Relative density   | No data  |
| Vapor pressure (°C)   | No data | Boiling point (°C) | No data  |

**Section 10- Stability and Reactivity**

**Stability:** Very stable at room temperature, Under normal conditions of use does not occur dangerous reaction.

**Storage conditions to avoid contact:** High temperature.

**Forbidden compound:** No forbidden compound.

**Polymerization hazard:** No polymerization.

**Hazardous decomposition products:** No decomposition.

**Section 11- Toxicological information**

**Metabolism:** No data available.

**Acute toxicity:** No data available.

**Irritation:** No data available.

**Corrosivity:** No data available.

**Sensitisation:** No data available.

**Repeated does toxicity:** No data available.

**Section 12- Ecological Information**

**Environmental assessment:** Proper use and disposal are not expected to have any adverse impact on the environment.

**Degradability:** Stable during normal operation conditions.

**Section 13- Disposal Considerations**

**Disposal measures:** Managed in accordance with approved local, state and federal requirements. Consult state environmental agency and/or federal EPA. Recover using as local rules or laws

**Used material:** Waste can be recycled.

**Section 14 – Transport Information**

**Dangerous goods code:** None.

**UN number:** None.

**Package mark:** None.

**Packing type:** None.

**Packing method:** None.

**Transportation information:** The transportation vehicle shall be equipped with fire fighting equipment of the corresponding variety and quantity. It is strictly forbidden to mix with oxidizer, acid and edible chemicals. During transportation, avoid insolation, rain and high temperature.

## Section 15- Regulatory information

《Dangerous Goods Regulation》

《Recommendations on Transport of Dangerous Goods Model Regulations》

《International Maritime Dangerous Goods》

《Technical Instructions for the Safe Transport of Dangerous Goods》

《Classification and code of dangerous goods》

《Occupational Safety and Health Act》 (OSHA)

《Toxic Substances Control Act》 (TSCA)

《Federal Environmental Pollution Control Act》 (FEPCA)

《The Oil Pollution Act》 (OPA)

《Superfund Amendments and Reauthorization Act III(302/311/312/313)》 (SARA)

《Resource Conservation and Recovery Act》 (RCRA)

《Safety Drinking Water Act》 (CWA)

《California Proposition 65》

《Code of Federal Regulations》 (CFR)

In accordance with all Federal, State and local laws.

## Section 16- Other Information

The information above is believed to be accurate and represents the best information currently available to us. However, we makes no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigations to determine the suitability of the information for their particular purposes. Although reasonable precautions have been taken in the preparation of the data contained herein, it is offered solely for your information, consideration and investigation. This material safety data sheet provides guidelines for the safe handling and use of this product, it does not and cannot advise on all possible situations, therefore, your specific use of this product should be evaluated to determine if additional precautions are require.
