

Model No.: **GP910A**

| NO MERCURY ADDED          |                                                         |
|---------------------------|---------------------------------------------------------|
| <b>Description</b>        | : Mercury Free Alkaline Manganese Battery, N Size       |
| <b>Chemical System</b>    | : Alkaline Manganese                                    |
| <b>Nominal Voltage</b>    | : 1.5 Volts                                             |
| <b>Nominal Dimensions</b> | : $\phi 12.0$ mm x 30.2 mm                              |
| <b>Terminals</b>          | : Protruded positive (+) and flat negative (-) contacts |
| <b>Jacket</b>             | : Foil jacket                                           |
| <b>Applications</b>       | : Hearing aid, pager, etc.                              |
| <b>Average Weight</b>     | : 9g                                                    |
