> CANVIO AEROCAST

YOUR PERSONAL WIRELESS BACKUP CENTRE

With the Canvio AeroCast wireless HDD from Toshiba, you can store everything you need in one place – ready for sharing with all the family. Back up as much as 1 TB of your favourite content without the hassle of plugging in, or use the Canvio AeroCast as a compact, central multimedia hub that's accessible from up to six devices at once. With the Canvio AeroCast, everyone has the content they need, on the device they're comfortable on – whether it's a smartphone, a tablet or a laptop.

www.toshiba.eu/storage

STORE. SHARE. ENJOY.

Access all your favourite content, from all your favourite devices, with the Canvio AeroCast wireless HDD - without the hassle of connecting wires, or connecting to the internet.

CONNECT TO ANYTHING

The Canvio AeroCast allows you to connect to up to six devices at once, so the whole family can access the content they need, on the device that suits them.

SD READY

The Canvio AeroCast's built-in SD card slot is complimented by an automatic backup function meaning all your videos and pictures will be backed up automatically.

5-HOUR BATTERY LIFE

With a 5-hour battery life, you can take the Canvio AeroCast on trips to share memories with friends and family, without having to plug-in.
