

DCP-J525W Technical Specifications

The DCP-J525W Combines wireless network connectivity and an easy to navigate touchscreen LCD display with print, scan and copy capabilities.

Achieve impressive print speeds of up to 33 mono and 26 colour ppm (10ipm mono and 8ipm colour laser comparable) so you do not have to wait for your documents, whilst the 1.5 picolitre droplet size and up to 6,000dpi print resolution enable you to produce professional quality documents in house.

Share resources and reduce the need for untidy cables by connecting the DCP-J525W to your existing wireless network using simple, secure software to ensure a quick and simple process.

Navigate the DCP-J525W's simple to use menu system and access a range of functions via the 4.9cm touchscreen display with touch sensitive controls.

Reduce your printing costs with high yield ink cartridges for a lower cost per page. All Brother inkjet multifunctional printers incorporate a four individual inks system meaning that you only replace the ink which runs out, reducing waste and saving you money.

The DCP-J525W complies with the strict ENERGY STAR and German Blue Angel environmental standards, ensuring low energy consumption, low noise levels and a recycle-friendly design.

General	
Technology Memory Capacity Warm-up Time Interfaces Network Protocols Wireless Setup Wireless Security Display	Inkjet 40MB 0 seconds High Speed USB 2.0 Wireless LAN IEEE802.11b/g/n (Infrastructure Mode/Adhoc Mode) TCP/IP (IPv4) Wi-Fi Protected Setup™ (WPS), AirStation OneTouch Secure System™ (AOSS) WEP 64/128, WPA-PSK (TKIP/AES), WPA2-PSK (AES) 4.9cm touchscreen display with touch sensitive controls

DCP-J525W

The DCP-J525W offers print, scan and copy capabilities in one compact, stylish machine:

Touch

Navigate the simple to use menu system with the 4.9cm touchscreen display with touch sensitive controls.

Connect

Connect and share your machine across your existing wireless network.

Print

Achieve rapid print speeds of up to 33 mono or 26 colour ppm (10ppm mono and 8ipm colour laser comparable).

iPrint&Scan

Print from or scan directly to your Apple®, Android™ or Windows® Phone 7 device with the Brother iPrint&Scan app.

Eco Friendly

Complies with the ENERGY STAR and the German Blue Angel environmental standards.

Save

Reduce your printing costs by using high-yield cartridges, with capacities of up to 600 mono and 600 colour pages.
